

Senior Crew Chief

Lloydminster

Why Choose Midwest?

Midwest Surveys is a 100% employee owned company that values its people! Celebrating over 65 years in the industry, we have been ranked as one of the 50 Best Employers in Canada and a Top Employer in Alberta. We have also been recognized as a top health benefits provider and have been named the Best Workplace in Alberta for Health and Safety.

Midwest Surveys actively supports local communities, charities and is committed to a high level of ethics. We pride ourselves on providing an outstanding work environment!

Our Lloydminster location currently has an opportunity for a Crew Chief. In this field position, you will be leading a crew performing oilfield surveying.

Lloydminster "The Border City" is unique as it lies on the border of Alberta and Saskatchewan, straddling the Fourth Meridian. With a population of over 30,000, it lies 250 kilometers East of Edmonton on Hwy #16 (4 lane), 275 kilometers West of Saskatoon (mostly 4 lane) and is within an hour's drive of prime sight-seeing, camping, fishing and hunting territory. Lloydminster shows very strong growth with a modern Hospital, many new schools, shopping centers and businesses. Lloydminster has all the amenities of a larger city without the metropolis feel, lengthy commutes and costly housing. . [Click here](#) to discover the best of both provinces in this border town.

Position Description:

Our Lloydminster location currently has an opportunity for a Senior Crew Chief. In this field position, you will be leading a crew performing oilfield and pipeline construction and all other types of field surveying.

Qualifications:

The successful candidate should have formal post-secondary training in a Geomatics/Survey program, with at least five years experience as a Crew Chief, however, associated experience will be considered.

The successful candidate will have a valid driver's license, experience with ATV's and snowmobiles is preferred. You must be physically able to perform the requirements of the job and be willing to work in all types of weather conditions. Travel out of town will be required. Preference will be given to applicants with a multidisciplinary background including oilfield, municipal, construction and pipeline construction surveying. The successful candidate will be well-versed in the technical operation of Total Station and GPS technology.

Safety training (i.e. CSTS, First Aid, WHMIS, etc.) is required and will be provided as necessary. Candidates should be prepared to comply with our drug and alcohol policy, which includes screening.

For more information on working with Midwest Surveys or to apply for this posting online please visit the Careers section of our website, www.midwestsurveys.com.

All applications will be kept confidential. Only those selected for an interview will be contacted.
